cheap other

oh no!

I have
chosen
this song
because
when I first
came across
Lambkin I
realised that
there was sommat
truly boundary-
pushing/amazing
beautiful/casual
anti-music/brand
to wind up muso's
so left-field it hurts,
exquisite, ~~casual~~ casually
brilliant, able to
excite Stuart Gordon
inordinately, working class,
gorgeous, I just liked it...

← DRAWING ACTIONS (for QPRC)

→ rip up bits of paper, drop on paper then stick down and scribble over the top! Why!? Fuckakes

→ just draw i.e. this is the one I always do because having a 'strategy' is so fucking poncey and annoying...

→ cry onto paper at a sad song

→ write some (or) relevant words and pretend that writing is drawing enough

→ photocopy this page ditto

→ conceptualise it to death

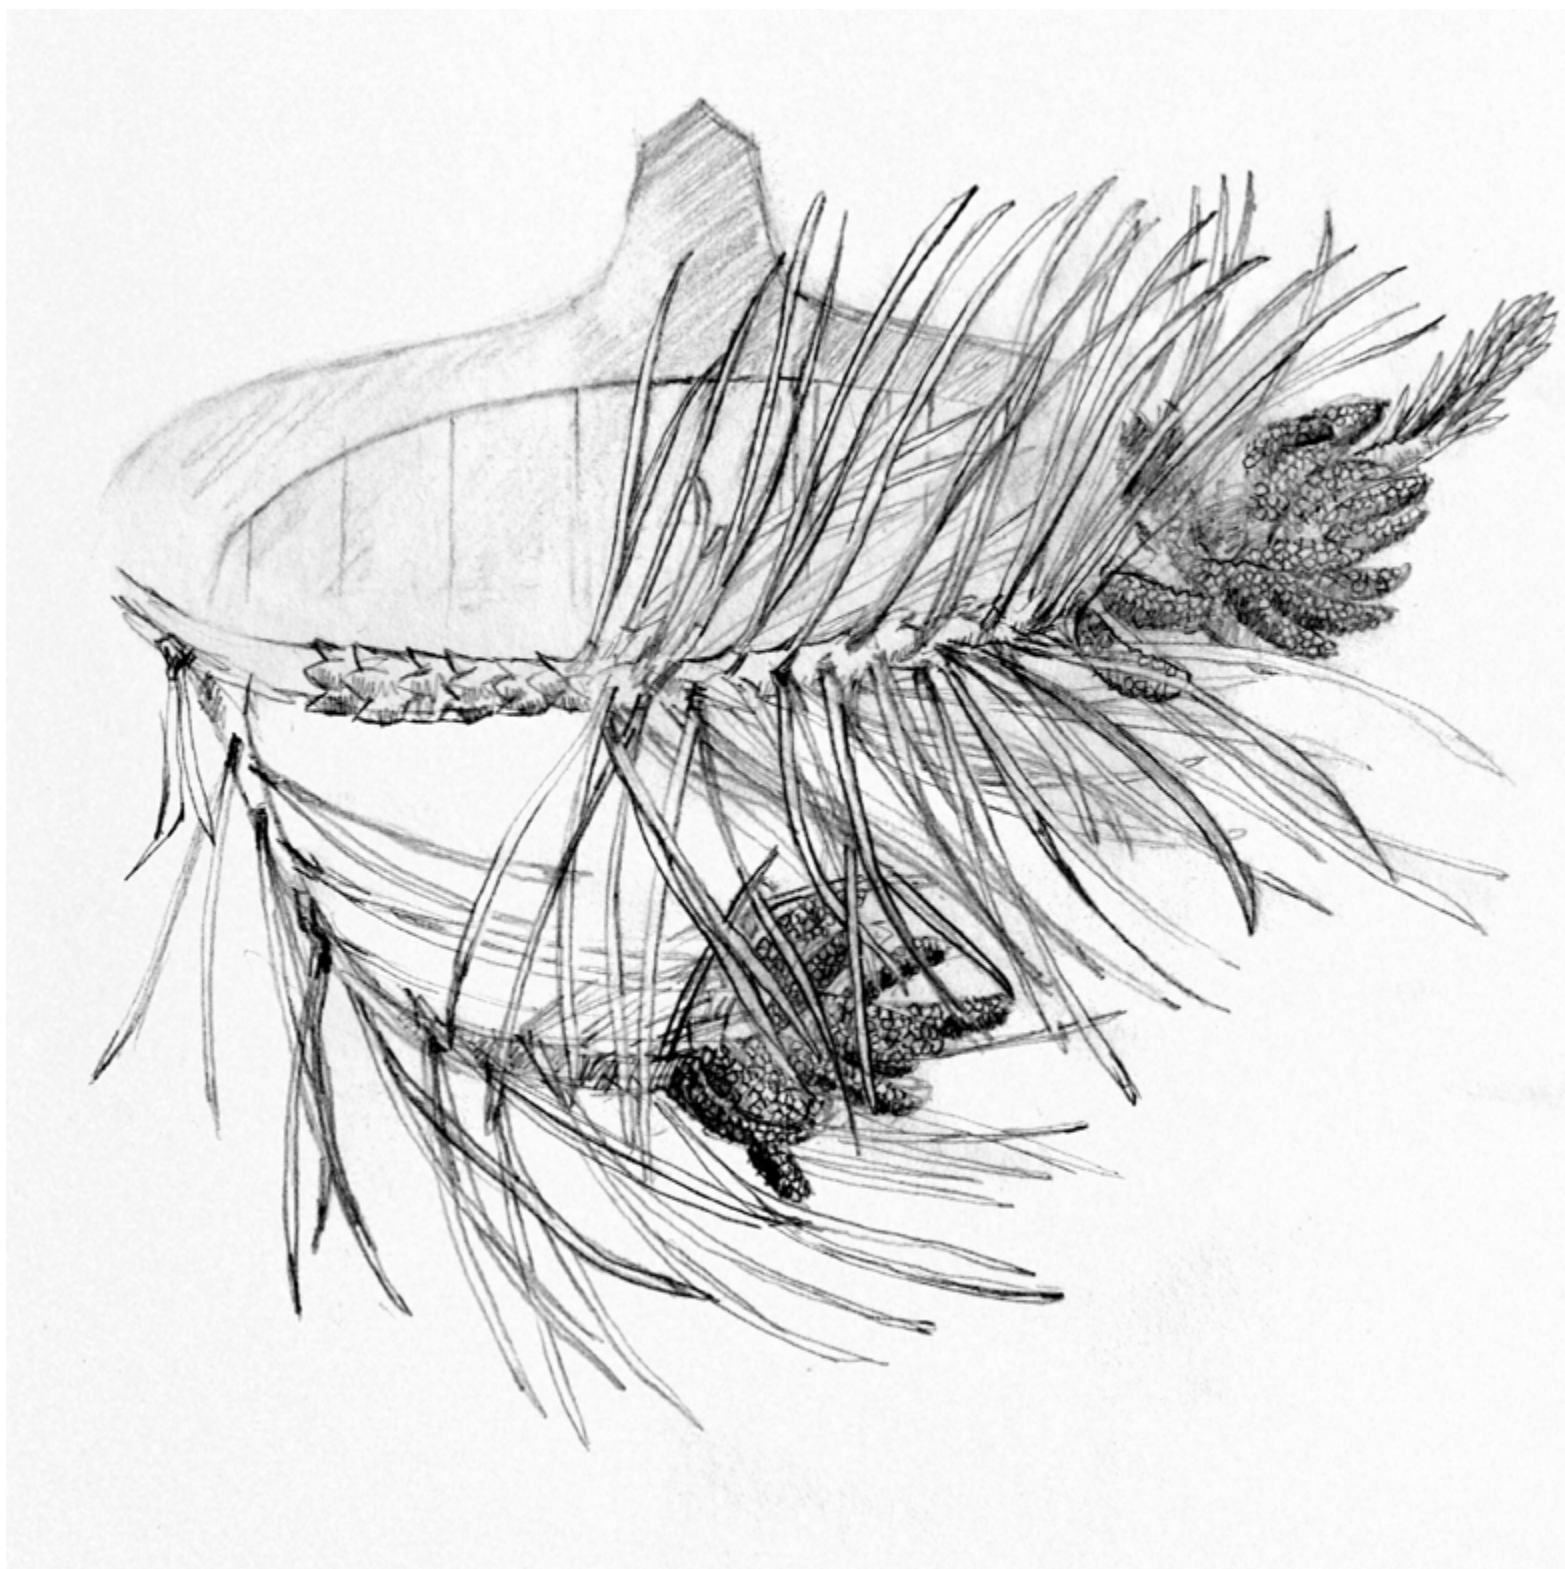

→ kill Pat a Learner so I don't have to do it

→ write a self conscious list...

→ make love to a love song with a bit of paper wrapped around my cock (or masturbate!)

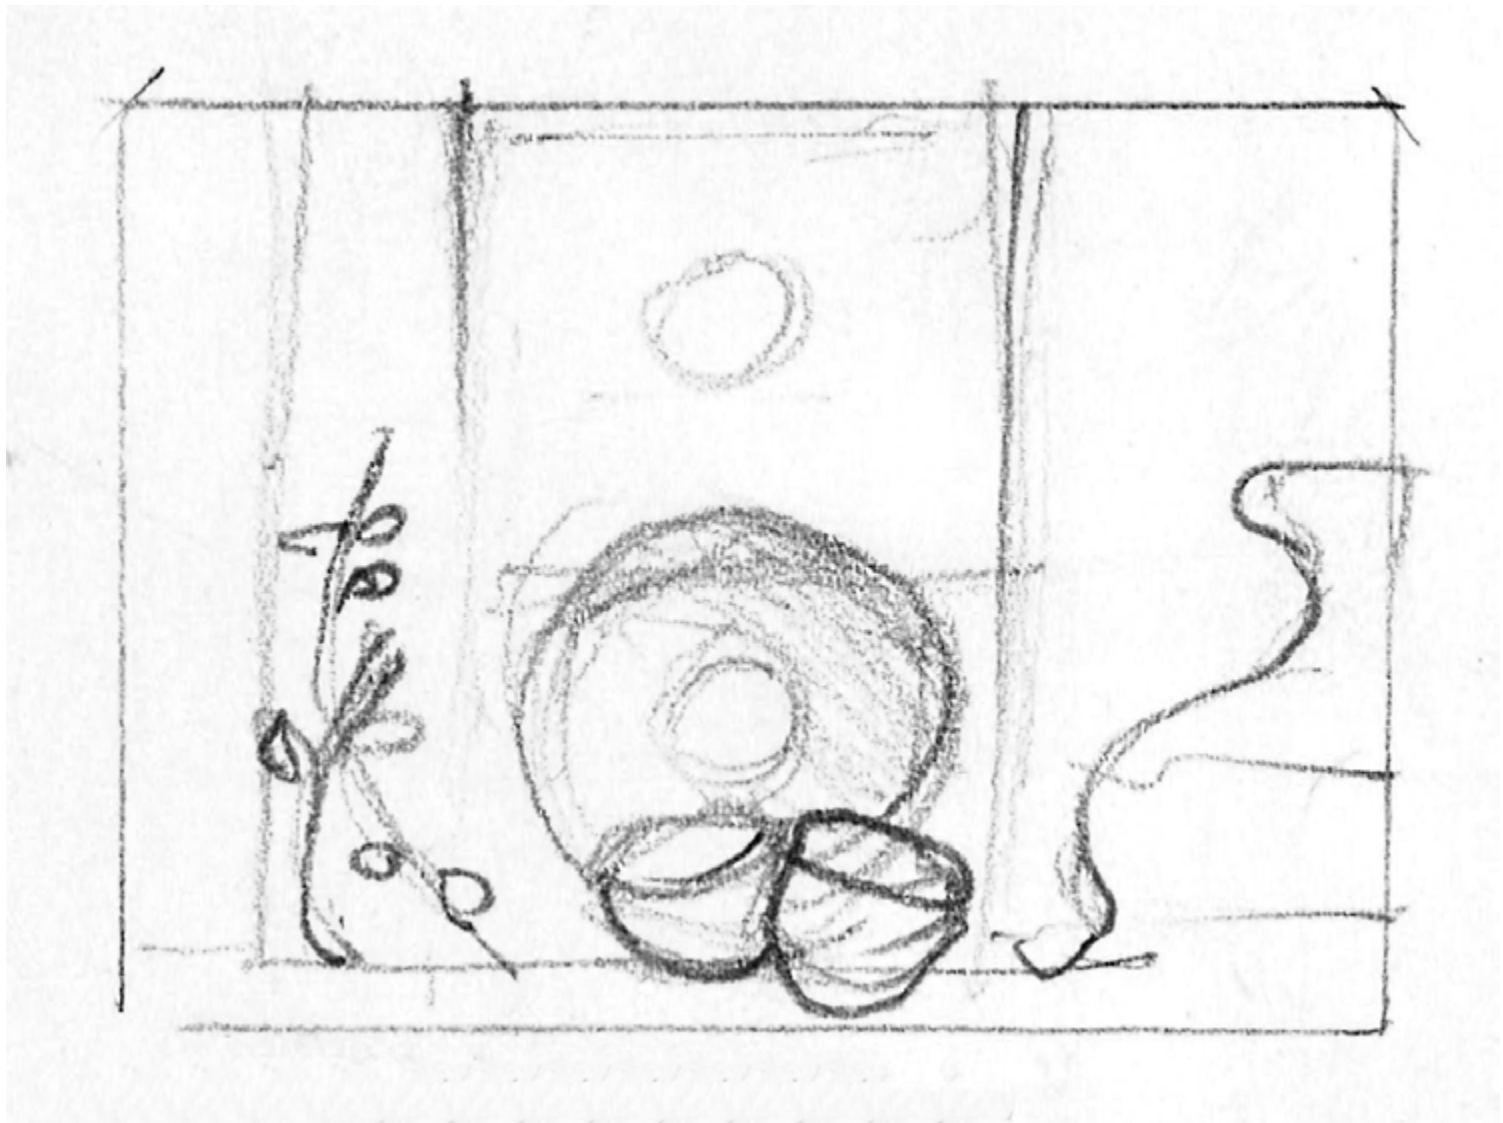

→ do an anal little pencil drawing of the youtube page of my chosen song hahahaha

→ draw a chicken (nailed it)
